Unity is strength March 21 - 22nd Cardiff Bay 2018

RMT NATIONAL BLACK & ETHNIC MINORITY MEMBERS' CONFERENCE 2018

25 YEARS STRONG **A LUTA CONTINUA!**

RMT National Black & Ethnic Minority Members Conference 2018

Is pleased to accept Cardiff Regional Council's invitation to host its **2018** conference in THE PIERHEAD**,** Cardiff Bay, CF99 1NA.

CONFERENCE STARTS WEDNESDAY 21 MARCH FROM 1PM. CONCLUDES THURSDAY 22 MARCH at 4PM

Tiger Bay - Cardiff's dockland district - is Wales' oldest multi-ethnic community. Sailors and workers from over 50 countries settled here.

Some of the largest communities included the Somalis, the Yeminis and Greeks. Residents of many races and backgrounds socialised together and intermarried, creating a distinct community.

Tiger Bay was also notorious. A slice of red-light district and gambling dens between Cardiff's City Centre and its docks, and home to a rich mix of multi-racial communities, it had a powerful character of its own.

The 1960s saw the wholesale destruction of large areas of the Bay and displacement of the community.

The 1970s and 80s saw a new influx of refugees from conflicts around the world, and the 90s saw the birth of the renewal of the area as a leisure and business hot-spot and the founding of the National Assembly for Wales.

Today, the Cardiff docklands area is known as Cardiff Bay

The historic home of the National Welsh Assembly, is the perfect venue to commemorate **25 Years** of the National Black & Ethnic Minority Members' Advisory Committee.
