

RMT MEMBERS' MEETING TO DISCUSS PAY AND CONDITIONS ON LONDON UNDERGROUND

We demanded:

- A substantial pay award with a minimum flat-rate increase
- A 32-hour, 4-day week for full-time staff
- Equalisation of staff travel facilities
- Equalisation of the CSA grade on stations

...and more.

LU has offered:

- RPI + 0.2% for 2019-2020, or £750 (whichever is higher)
- RPI + 0.2% for 2020-2021
- The option for pre-1996 staff to give up their PTAC in exchange for a nominee pass and season ticket subsidy

... that's it.

LU's offer is entirely unacceptable. Come along to the meeting and have your say on how we fight to win our demands, including building for an industrial action ballot of all LU members.

**WEDNESDAY 14 AUGUST,
6PM, INDIAN YMCA (FITZROY
SQUARE, NEAR WARREN
STREET STATION)**
