Vote YES Against Lone Working

Station staff on District Line East will receive their ballot papers very soon.

We are demanding more staff on the group and campaigning against lone

working. The only way to win this is by voting YES to action short of strike. It is vitally important that everyone returns their ballot paper as the law says that 50% of people must vote for our action to be legal.

CBTC Delayed Further

SMA 1 & 2 have been postponed and drivers are not being trained.

SMA 1&2 which would have seen automatic running introduced between Latimer Rd and Euston Square has now been postponed until at least September. There have also been a number of errors highlighted by our reps, including RM hold boards being covered and sub standard training materials and diagrams.

Further to this, a high number of CBTC courses have been cancelled due to trainers not being available. This is only set to get worse as the company have reduced the numbers of trainers in their latest round of 'Transformation'.

NEC Nomination

Congratulations to our Branch Secretary, Lorna Tooley, who won our nomination for the NEC rep position. Ballot papers will be sent to all members in October and we recommend you vote for Lorna.

LU Pay Update

There will be a mass meeting of members to discuss the latest offer.

Your negotiating team met with LU and ACAS again and the company made a new offer of a two year deal, of RPI+0.2% in both years, or £750 in the first year for CSA2's. The RMT rejected this offer, as it did not address other aspects of our claim, such as a 32 hour week and the abolition of the CSA2 grade. There will be a mass members meeting on Wednesday 14th August at 6pm in the Indian YMCA, 41 Fitzroy Square, W1T 6AQ

Are Your Details Correct?

If you have moved house or workplace, it is important that you tell the RMT, so you don't miss any important communication.

Reps will be contacting all members to ensure we have your correct details

Next Members Meeting
