

BALLOT TO DEFEND THE LONDON BRIDGE 3

Ballot papers will be sent out on **May 15** and **must be returned by first post June 13**

YOUR VOTE MATTERS

MAKE SURE YOU'RE IN

It's important you vote. The new anti Trade Union laws impose a higher threshold on our ballots and a simple majority is not sufficient.

If you have not received a ballot paper by Friday May 19 please contact your local rep or membership at Head Office on 0800 376 3706

Vote **yes** for strike
action and
yes for action
short of a strike

All Revenue and Station members are being balloted to defend the London Bridge 3. We believe they have been unfairly treated by London Underground and want the sanction of summary dismissal lifted and the warnings withdrawn.

Ballot papers **must be returned by first post June 13**
