## Rosters District East

This is a reminder to everyone on the District East Group to vote on new rosters. Nothing will change unless people vote and a majority is needed before rosters can be changed

Saturday 13<sup>th</sup> October

**Anti-fascist demonstration, which all RMT members are welcome to join**

**12:30-16:30 Westminster**

**Contact Ollie Abdullah, IR rep District East for more details**

If anyone is interested in attending the upcoming conferences, please get in touch ASAP to be nominated

Young Members – 21<sup>st</sup> – 23<sup>rd</sup> February – London

Women Members – 1st – 2nd March Dover

Black & Ethnic Minority Members – 27<sup>th</sup> – 28<sup>th</sup> March – Portsmouth

## Could You Be An RMT Rep?

Nominations will be taken at the next Branch meeting for all rep positions and Branch positions.

**Thank you to everyone who gave up their own time to attend our organising day on 4<sup>th</sup> October. If you would like to arrange for reps to visit your workplace, please get in touch**

### Driver Success!

The planned petition for improved driver facilities at Barking is no longer needed as management have agreed to provide extra facilities for drivers on meal relief at Barking. Listen out for further details about when these will be available

### FIGHTING FOR RIGHTS FOR CLEANERS

Our Cleaner Reps are continuing the fight for improved conditions for our cleaner members.

They have met with ABM and outlined our demands for free travel as well as sick pay and other improved conditions at work.

None of these can be achieved if you are not a union member. All cleaners should be in the RMT.

Membership for anyone earning under £21,700 is £2.13 a week

### Thank You

**Thank you very much to Errol Patterson, industrial relations rep for H&C East Group, who will be moving on from November 11<sup>th</sup>. We wish Errol all the best at Canary Wharf.**

**Julie will continue as rep and nominations for a second rep will be taken at the next meeting. You can always contact the Branch if your rep is unavailable**
