# RE-BALLOT

RMT are to re-ballot all London Underground & Transport for London Members following management running to un-elected lawyers to find spurious legal loopholes to deny you your right to protest against their appalling pay offer, their intention to bring in compulsory redundancies and their victimisation of union activists & reps.

**Managements action not only rides rough-shod over the vast majority that voted yes for strike action, but equally disregards the democratic rights of those who voted against strike action, as it was an attack on the voting rights of ALL RMT members who were balloted!**

Despite a huge majority in a democratically run ballot of 83% in favour of strike action, re-balloting is necessary and is the only option available to defend RMT members

In answer it is vital that all RMT members on LUL & TfL return an even **BIGGER YES VOTE**:

- **The 83% who voted yes before**
- **Those who didn't return their ballot paper &**
- **Those who's no vote to strike was disregarded by management**

**THE RMT WILL NOT STAND IDLY BY AND LET YOUR RIGHT BE STOLEN**

# VOTE YES!
