EVERY VOTE COUNTS!

The Ballot Papers are out! **VOTE YES** for strike action and action short of strike

BULLYING & SPYING: Management have refused to stop bullying staff, and spying on their children.

ATTACKS ON JOBS & CONDITIONS: Management have refused to revert to the agreed Code of Practice ("*Jobs 4 Life*") to resolve displacements

HEALTH & SAFETY: Management are threatening key safety role posts, without completing any safety validation process

PAY CUTS: Management have offered us a **2.2% PAY CUT** in real terms; as their RPi plus 1% offer is eroded by the actual cost of living (CPI), which is now **3.2%!** *Just do the maths.....!* Years 2 – 5 are **WORSE!** They've only offered *bare* RPi (plus nothing), with the threat of considering an actual **WAGE REDUCTION TOO!**

We can not & will not tolerate this unbearable treatment of staff
