

WARNING—TRIAL OPERATIONS—DANGEROUS

Too Botched To Consider

Following meetings that have taken place at 55 Broadway. It has come to the attention of your Health and Safety Representatives that the trial operations would be unsafe.

The signalling signage is not approved, the training of staff is poor, The service control team are not ready, and equipment in the SCC is not fit.

Assurances have not been met, and therefore we advise you to REFUSE to WORK under the Health and Safety ACT 1974.

Safe working is not an option, its the LAW.
